2. Depending on your default web browser, click **Allow** if you are prompted to open Zoom

Tip: *Having an email account helps you access Zoom, social media applications, YouTube and order online more securely and easily!*

How to download Zoom application on your tablet?

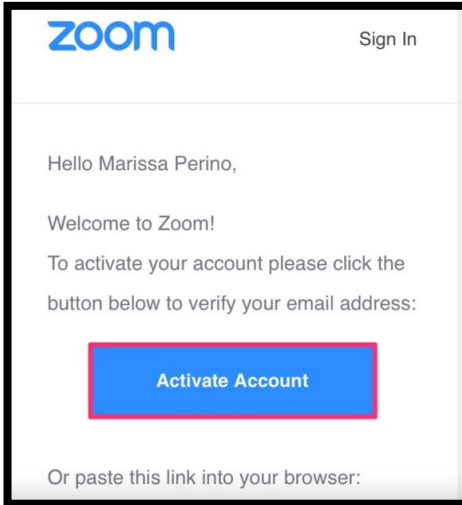

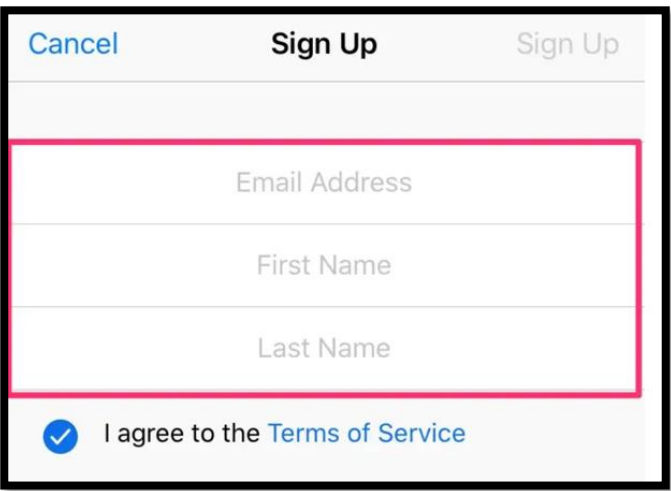

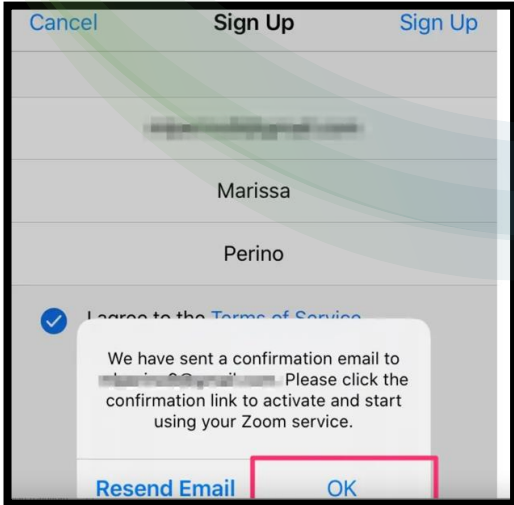

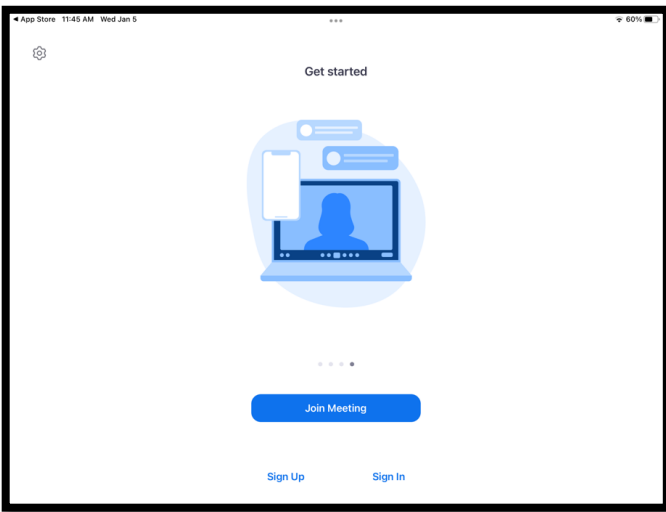

1. Open the "Google Play" app or "Play Store" on your tablet
2. On the top search bar, type in Zoom
3. Click GET or OPEN on "Zoom Cloud Meetings"
4. Install

Let us Get Started...Let us sign up your Zoom account!

How to sign up a Zoom account?

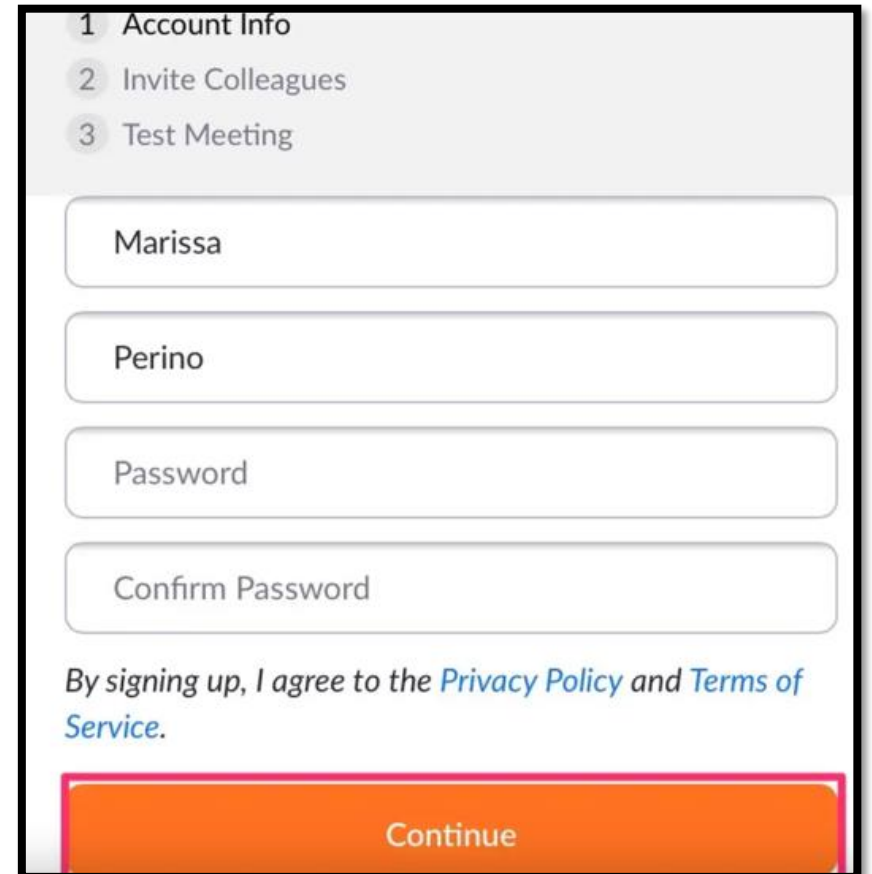

- 1. Click sign up option
- 2. Enter your email address, first name and last name
- 3. A confirmation email will be sent to the email you chose, click Ok to activate your account
- 4. Go to the email you entered earlier
- 5. You will find an email from Zoom, pen it then click activate account tap

Now let us confirm your Zoom account and the password:

1. Re-enter your first name and last name
2. Type a password of your choice, then retype it for more confirmation

Password Tip: Your password must include at least eight characters and at least one letter and number. For instance, Waller/65_Q400

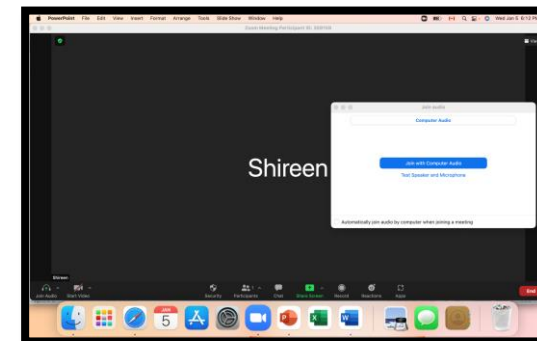

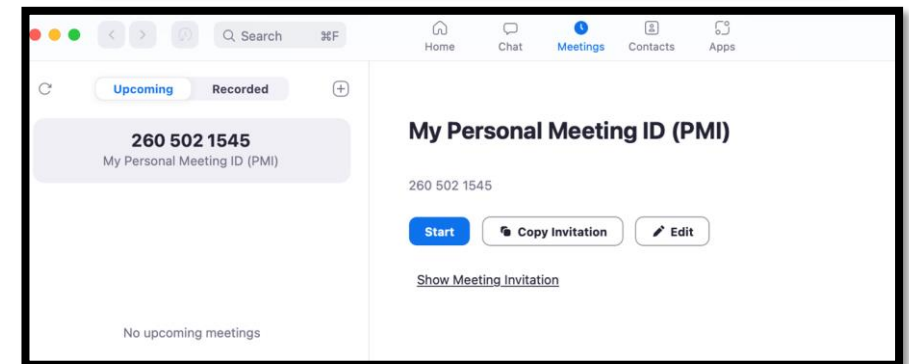

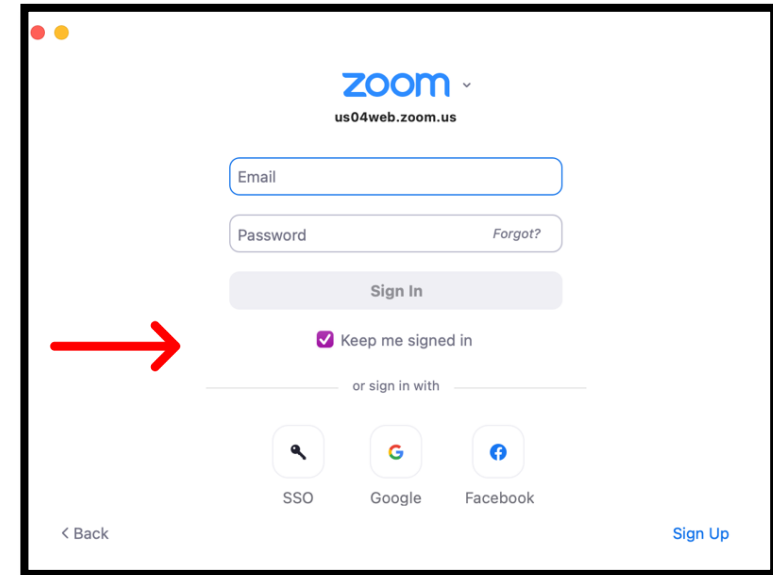

The screenshot shows a mobile interface for confirming a Zoom account. At the top, there is a progress indicator with three steps: '1 Account Info' (highlighted), '2 Invite Colleagues', and '3 Test Meeting'. Below this are four input fields: the first contains 'Marissa', the second contains 'Perino', the third is labeled 'Password', and the fourth is labeled 'Confirm Password'. Below the fields is a line of text: 'By signing up, I agree to the [Privacy Policy](#) and [Terms of Service](#)'. At the bottom is a large orange button labeled 'Continue'.

Now, you are all set to start your Personal Meeting with family, friends, and colleagues!

How to start your personal meeting?

1. Enter your email
2. Enter your password
3. Check keeps me signed in
4. Click sign in
5. By signing in, you will see below screen
6. Click start, you will see your first and last name on the screen as below

Tip: To avoid having signing in each time, select the box for "Keep Me Signed In"

Professional Meetings:

How to join a professional meeting, class, webinar or online event?

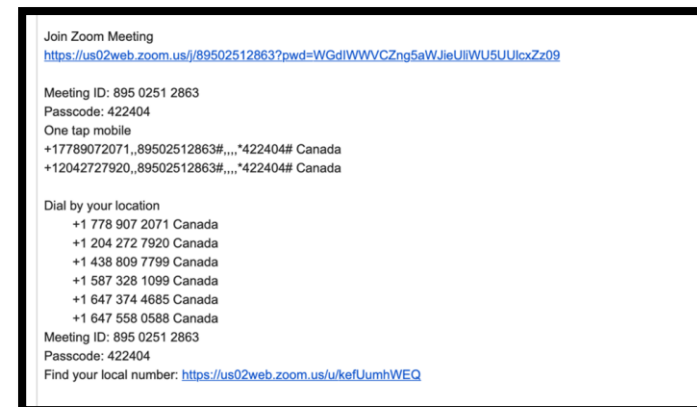

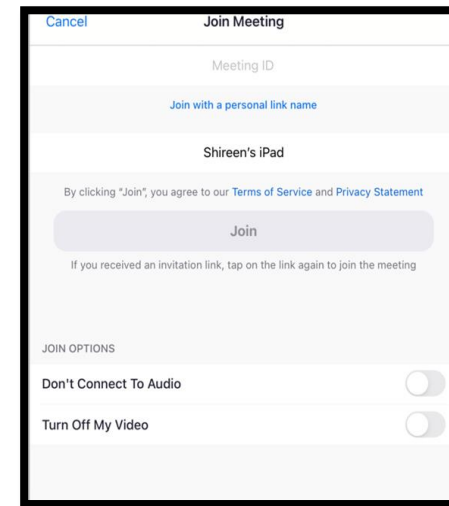

1. Join with using **meeting ID** (should be sent via email or message).

For example, Meeting ID: 895 0251 2863

OR

2. Click on the invitation link. Usually, it sent either via email

or message (the most common way to join meetings)

How to schedule a Zoom meeting?

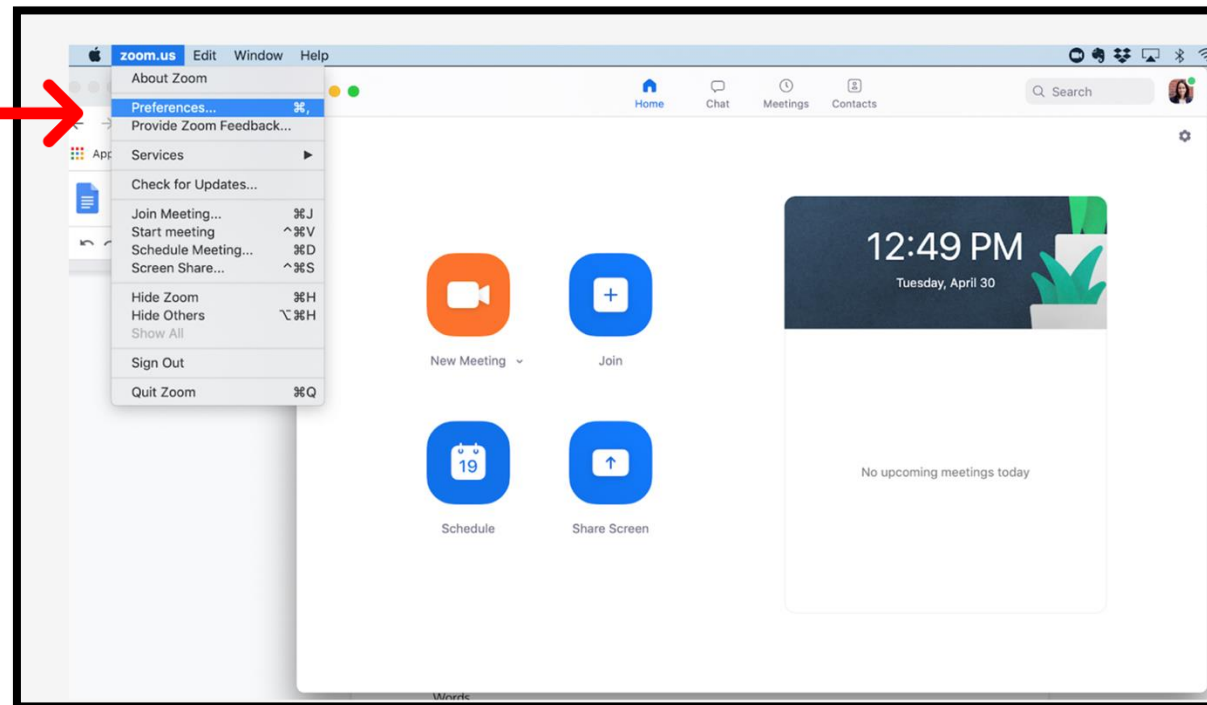

1. Open Zoom landing page
2. Click schedule icon
3. Set up date and time
4. Copy, paste the Zoom invite
5. Send it vis email to participants

The image shows the 'Schedule Meeting' form in the Zoom mobile app. It includes a notification at the top: 'Your scheduling settings have been synced from your Zoom web portal' with a 'Change Default Settings' link. The form fields are: Topic: 'Shireen's Zoom Meeting'; Date & Time: '2022-01-13' at '11:00 AM' to '11:30 AM' on '2022-01-13'; Meeting ID: 'Generate Automatically' selected; Security: 'Passcode' (BJ4b23) and 'Waiting Room' checked; Video: 'Host' and 'Participants' both set to 'Off'; Calendar: 'iCal' selected. 'Cancel' and 'Save' buttons are at the bottom.The image shows a Zoom meeting invite card. At the top, it says 'Shireen's Zoom Meeting' with a 'Home' button. Below is the meeting link: <https://us04web.zoom.us/j/77620482091?pwd=KpwbcSPZ90VAXRVECIUKAXFIsI2yFv.1>. There is a 'Join' button. The main text says 'Shireen is inviting you to a scheduled Zoom meeting.' followed by 'Topic: Shireen's Zoom Meeting' and 'Time: Jan 13, 2022 12:00 PM America/Toronto'. Below that is 'Join Zoom Meeting' with the same link. At the bottom, it lists 'Meeting ID: 776 2048 2091' and 'Passcode: xLxNk4'.

Tips for Using Zoom

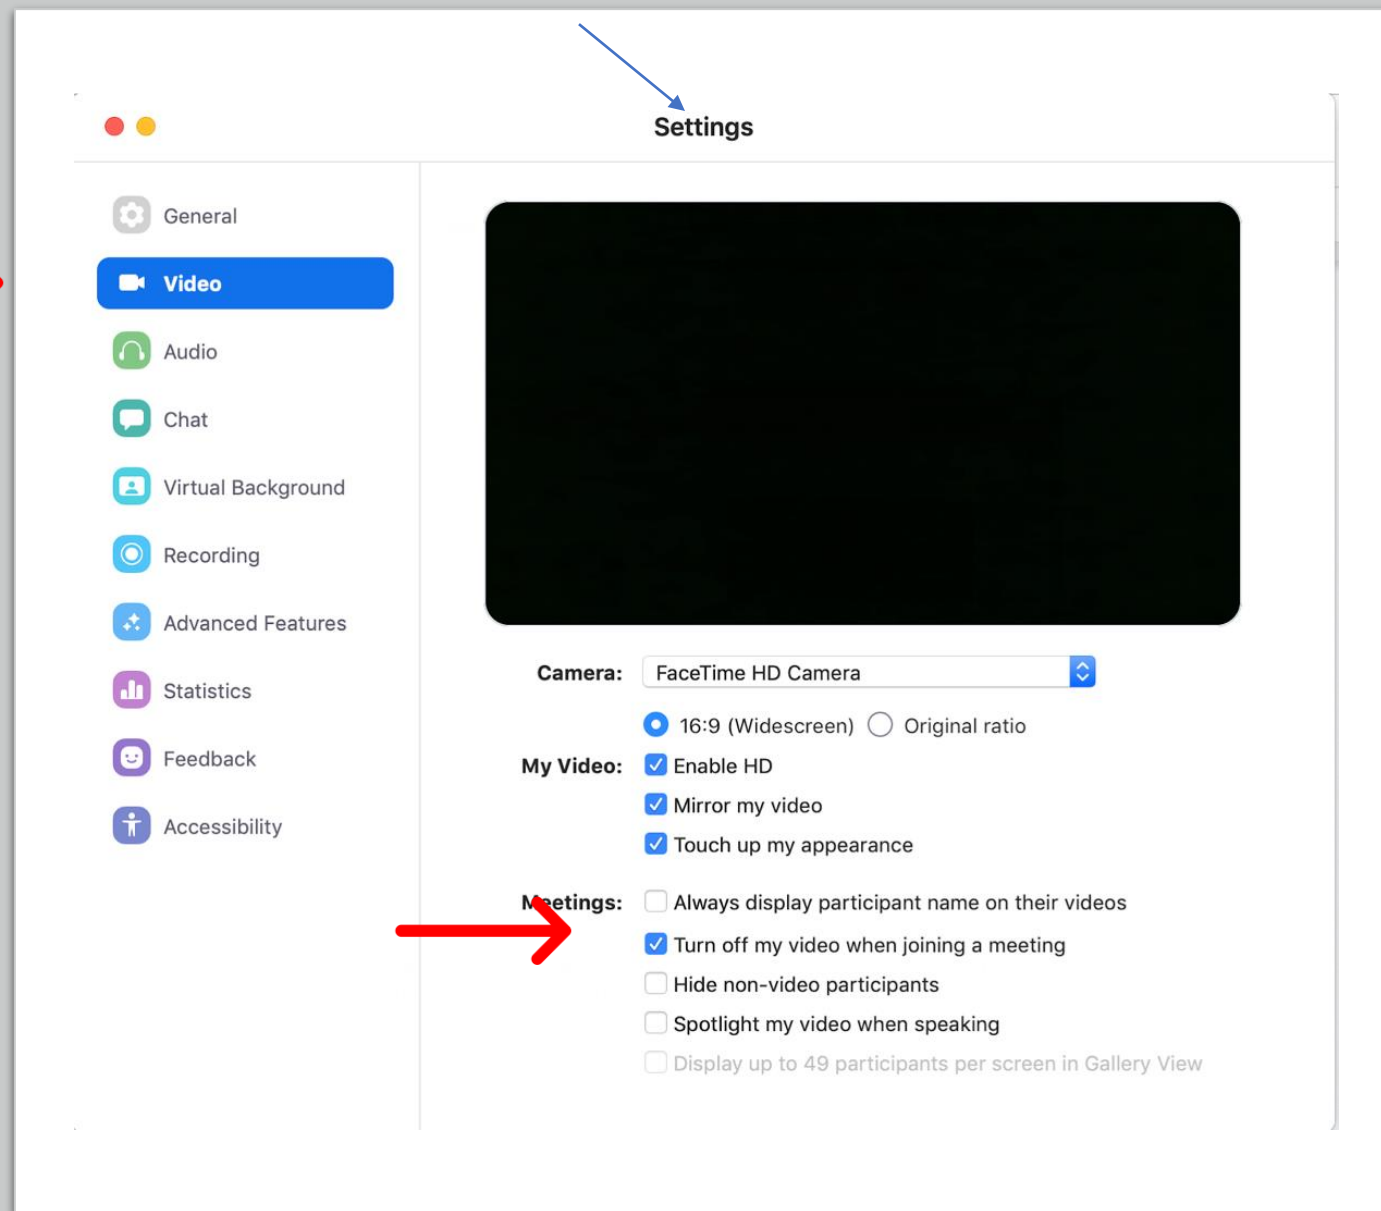

In your Zoom app, you can [set/customize your preferences](#) that will apply to every Zoom Meeting you attend.

1. Turn off your video
2. Mute and unmute yourself

How to turn off your video when joining a Zoom meeting?

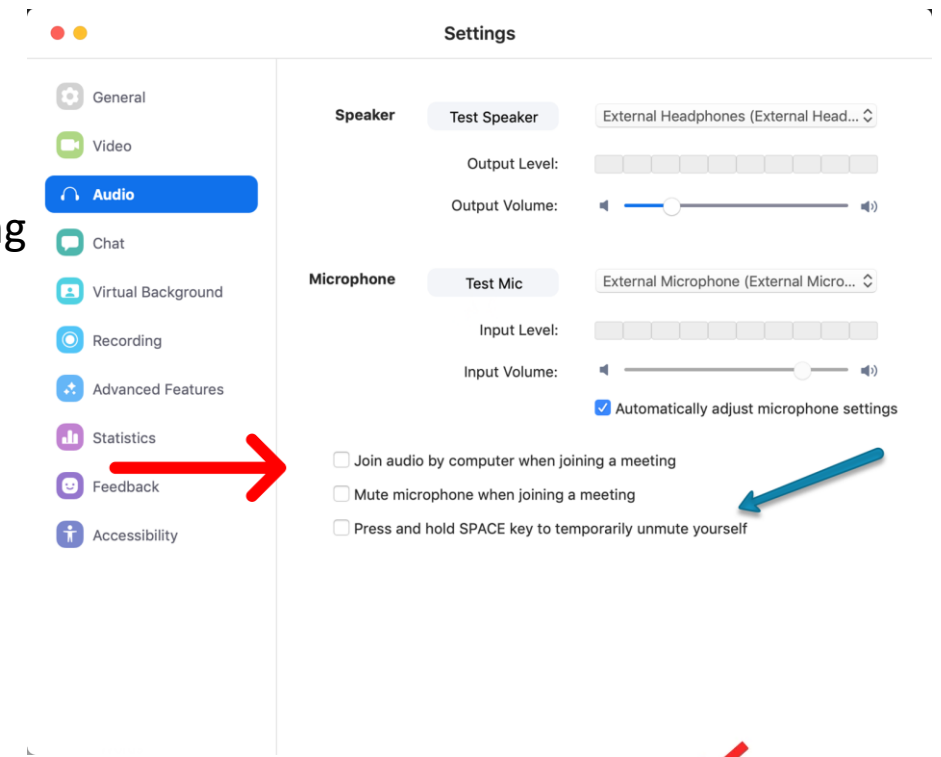

1. Go to settings
2. Click video tab
3. Check "Turn off my video when joining a meeting" so your face doesn't appear on the screen.

How to mute yourself when you're not talking to cut down on distracting background noise?

In your [preferences](#), you can set yourself to be [automatically muted](#) when joining a meeting.

1. Go to settings
2. Click audio tab
3. Check "Mute microphone when joining a meeting"
4. When you're ready to un-mute yourself, you can press and holding microphone icon.

Tip: Mute yourself when you're not speaking is a basic rule of a video conferencing etiquette.

Zoom Panel

- Participants: it shows the number and names of people joining the meeting
- Share: you can share image, video, presentation, or any document with participants
- Chat: you can send a private message to a particular participant or public message to all participants
- Private Chat: it can be seen only by the participant you chat with
- Public chat: it can be seen by all participants
- Record: you can record a class session, meeting, or event
- Reactions: it adds more fun to the meeting using emojis, raising hand and other reactions
- Leave meeting: you can leave if the meeting is up, or you have an emergency to leave right away

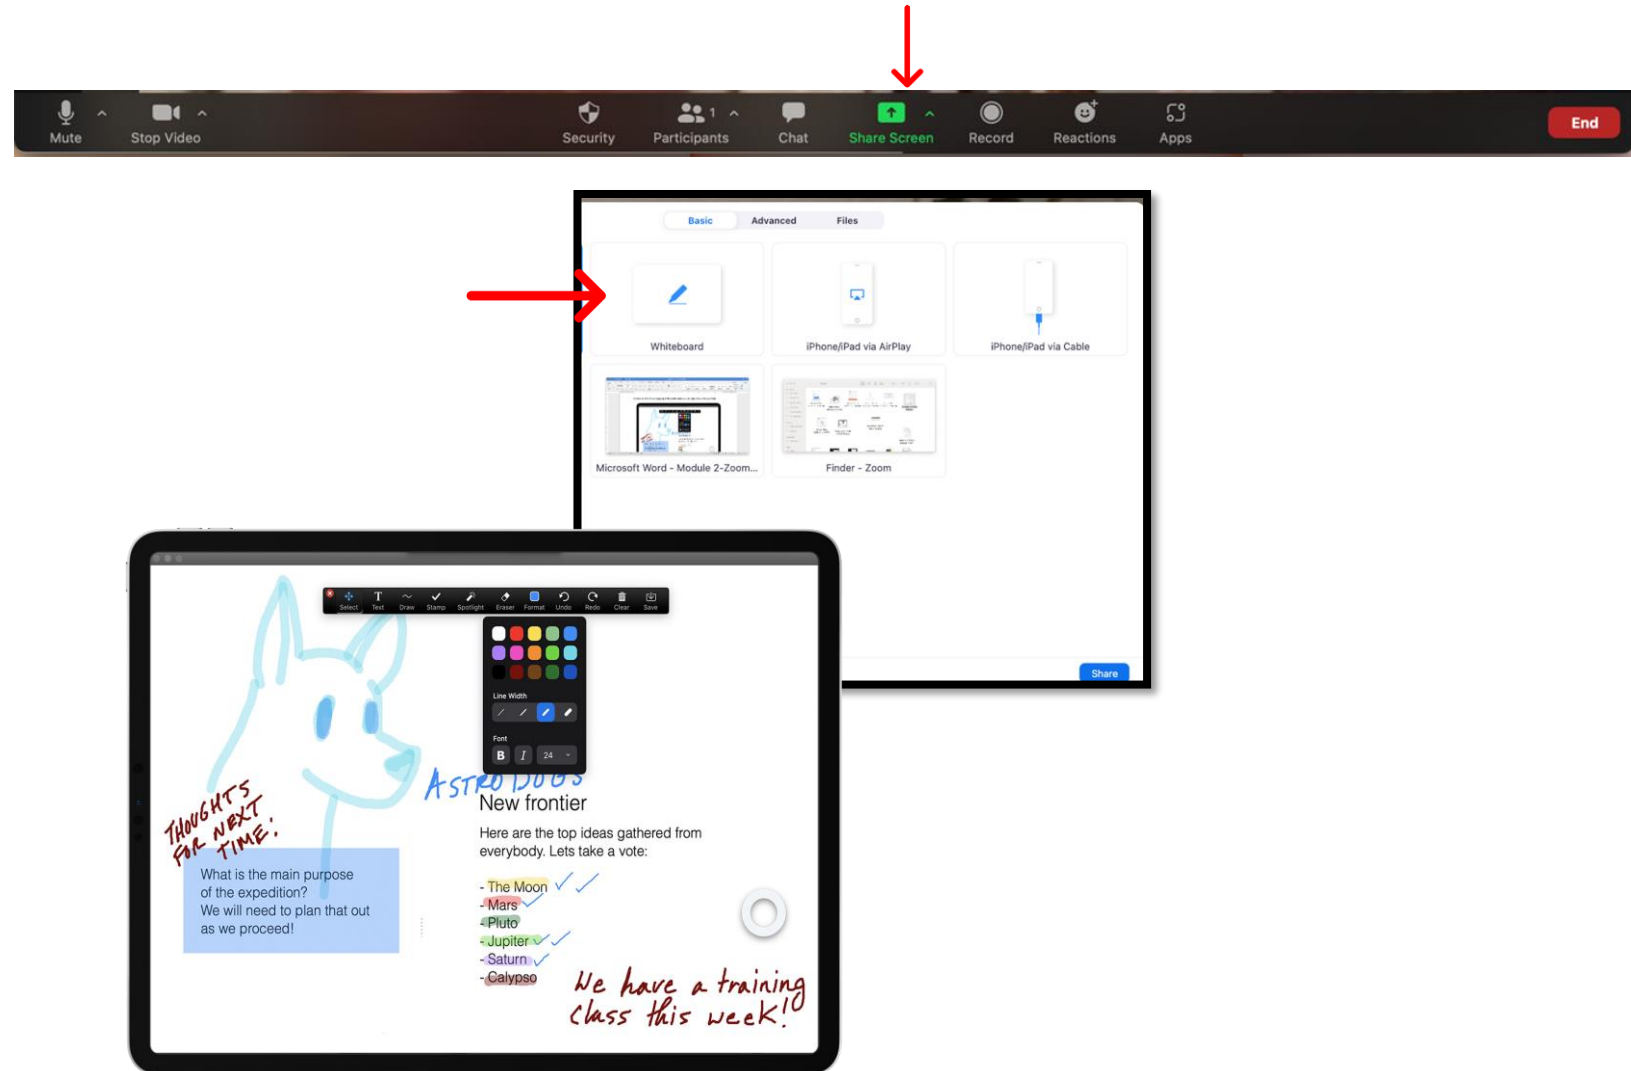

Annotation:

It is a virtual whiteboard where you can type, draw with participants, and save documents

How to use annotation tools for collaboration?

1. Click on share screen option
2. Click on whiteboard window
3. Click share

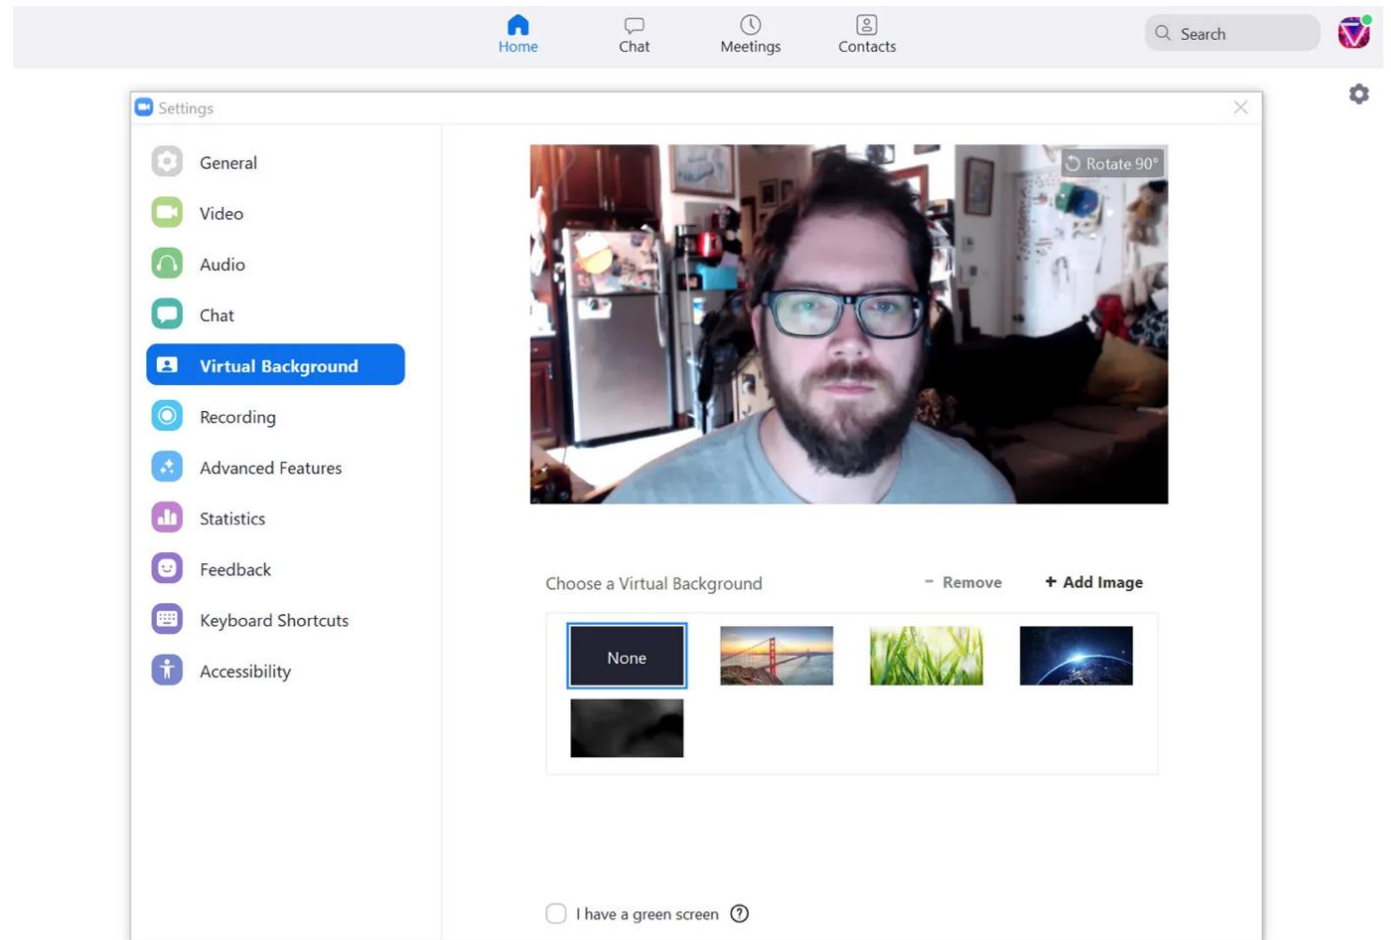

Your whiteboard will look like below screenshot with a variety of options

Virtual background:

How can you get a virtual background for Zoom?

- Click the gear icon in the top right-hand corner
- Click Virtual Background
- Select one of Zoom's default background images or click the + icon to upload your own photo

Thank you
